

The Tauschers' Report

"Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain."
— 1 Corinthians 15:58

Happy New Year!

As I look back over the past year, it's amazing the different seasons God has brought us through. Looking into 2024, it's easy to wonder what lessons, adventures, and plans God has ahead for us. I'm hoping those plans include some great coffee and outdoor adventures.

I can't believe it's time to write a new newsletter. I told someone I was going to include a picture of me holding my new beloved air fryer we got for Christmas to take up space! Jokes aside, Joel and I had a wonderful Christmas in Florida and New Year's in Minnesota. We are so blessed by our friends and family that make holidays so fun!

Ministry Update

Joel has been putting a lot of hours into fixing small engines in blowers, chainsaws, and other small equipment. They've also spent a lot of time trimming up some trees. **He has been working hard on updating a current building to be a game room**

for the Legacy Lakes Christian Conference and Retreat Center, that will be used for the summer teams as well as churches who rent the property.

I have been continuing to work in the Marketing and Productions

Department. **However, a more recent project that landed in my lap is assisting in evaluating and rewriting our Leader Training Seminar.** This course of classes is what prepares individuals to lead teams. It's a project I can only do through the power of the Holy Spirit. **God has put it on my heart to help update our curriculum.** I have also been working on Google Ads and the podcast Wholly Devoted. In Marketing and Productions, we've also gained a new student who is being trained. I am very blessed to be working with an incredible team of staff, interns, and students.

Family Update

Joel and I have now been married about ten months. It has been such a wonderful and rewarding time. I am so grateful to God for bringing Joel and I together on our journeys. Outside of work, Joel has been trying to wrap up the last threads of his business and selling equipment. I have been busy with usual things that really aren't that interesting. **I am so thankful for the beautiful life God has given us.**

 Please pray for safety and no back pain for Joel as he works to trim palm trees and clear out brush on the property.
 Please pray for Emma as she works on the podcast, and some promotional banners.
Thank you for partnering with us in prayer!

Do you want to know how to pray for us with the least amount of words possible?

We know everyone is busy and over saturated with words, videos, and noise. We've started using a program called PrayVine. **Basically we can very easily, and with very few words, communicate**

prayer requests directly to your email! Then you can respond and tell us that you're praying for us! **I can't even begin to tell you how encouraging it is to know that people pray for us.** If you are interested, get in contact with either of us, and we'll get your email on the list!

We are so thankful for your prayers and partnership. Thank you for being a part of what God is doing at Teen Missions.

Prayer Requests:

- Please pray for us that we would be focused on things above, not earthly things
- Please pray for us as we look for opportunities to serve people locally
- Please pray for me as I assist with the rewrite of our Leader Seminar program
- Please pray for us to be filled with the Holy Spirit as we follow Christ

**Blessings,
Joel and Emma Tauscher**

Ministry Update

The Tough Gator 5K Mud Run is an “event with a purpose!”

100% of the proceeds from our annual fundraiser in 2023 were sent to our TMI ministries overseas. The proceeds assisted families and orphans with school fees, uniforms, food, and other daily needs. It was also used in unexpected ways. This is a story from our Malawi country coordinator, Miscious.

“Greetings in Jesus name. When I visited the Wellman Family Rescue Unit, I found this poor Agogo (grandmother) sitting down. I felt sorry. She does not have anyone to help her. Her house is just by the entrance of our ministries, and she struggles with the rain daily. She did not beg anything from us, but when I saw this, I discussed what we can do to help her.” Miscious and the Malawi staff had some bricks to start helping build a house but didn’t have cement or other materials needed. Miscious was able to use

\$300 from the Mud Run money they had received to build a new house for her. Miscious says that the Agogo appreciates the house and said, “Teen Missions has given her a new life and she has seen the love of God.” The chief of the local village said that, “It is a real gesture that Teen Missions is here to show the love of Christ.”
