Mahajanga, Madagascar Testimony

Greetings in the wonderful name of our Lord Jesus Christ. Firstly we want to give God the glory and honor for what He is doing in our life. We are coming from Boot Camp where we saw God moving around the entire camp.

We have one of our new students by the name of Edson. He is 20 years old - here is what the Lord has done in his life before joining BMW.

This testimony of mine is to the glory of God. Here are the things that I have done which are not according to God's will. I used to smoke Marijuana and an alcoholic, I was also possessed by the evil Spirits and manifested as a witch doctor. I treated sick people with black magic and power. I also helped and trained young men to be expert robbers by providing them charms and magics which makes them to be unbeatable by the police or anyone. Even gun-fire were not effective to their bodies when they apply these while they are in the field of attack. I also used to fornicate and had a perverted life. I lived the life of thieves. I used to stole oxen, mobile phones, chickens, fowls etc. I cheated people and entered into their houses to steal. I disrespected my parents but they forgave me every time. The most dangerous thing in my life was after our male factor troop attacked someone's house at Maevatanana I was caught and jailed. I was in grade 11 at that moment. After a long time of doing many bad things, I was caught at last.

I came back to my senses. I realized myself that I was lost, until one day God whispered in my ears and hear the voice of God saying repent. When I went out from there, met a missionary from the Sunday School and I told him everything. He made me to receive Jesus Christ as my personal Savior and I became a student for Sunday School. He told me about Boot Camp and I was interested, so I came to attend Boot Camp. Through Boot Camp I found my life to be renewed; I really became someone else. During Boot Camp also I felt like God was calling me to serve the Lord because I felt peace which I never had before. So during Teen Missions opportunity I decided to go for the interviews and I was accepted to be trained in BMW. My dream is to be a powerful man of God to redeem the lost souls who are still doing what I was doing. I want God to use me to preach the Gospel in the world. I give the special thanks to the coordinator and his wife for being benevolent and to show compassion to all the teams. May the God who is rich in mercies reward you about all the effort that you did through Boot Camp.

TO GOD BE THE GLORY, AMEN
