Pray for those who are already signing up for 2025 teams that the Lord would give them wisdom as to where He wants them to go.

MALAWI COORDINATOR UPDATE

We praise God for the vision of Teen Missions International to have the ministries in these remote areas of Malawi where many people were unable to reach them with the Gospel. It is amazing to see the kids rejoicing and having the peace of mind, because Christ has changed their lives. Nothing brings joy to us than to see these kids growing spiritually in the Lord as they receive the Word of God in our Sunday Schools and the Rescue Units.

We thank God and pray for those who are helping us with the skin disease medications. This is the common problem that almost all the staff members are meeting with in these villages when they have gone to do ministry. We are sharing

the Good News, but some children are struggling with the skin diseases. Whenever the medication is available, we treat these wounds and parents glorify God.

We started Boot Camp with leaders seminar from 29th July to 2nd August. The team members arrived on 3rd August and the camp is going all the way to September 9, 2024 in all our camp sites (Rumphi, Mangochi, Nsanje and Chipoka). It is a big work, but full of blessings. Let's pray together for these camps. This is the time we see many souls of youths being transformed unto the likeness of Christ.
